### **Grade 5 Associated Board violin examination scales and arpeggios**

Here are some resources to help you with scale and arpeggio requirements for Grade 5 violin. The examination is held by the British examining board The Associated Board of the Royal Schools of Music. There is a scale practice record so you can keep track of what you need to do. Also included are the syllabus, details of marking and assessment criteria and a glossary of time saving and motivational tips.

In order to help with the exam pieces and increase your listening skills and knowledge of different styles of music I have selected some YouTube videos of the tunes that some of you will learn. There are also YouTube videos by other violinists on how to think about practising.

**To access:** Only my pupils can access this course.
