Grade 4 Associated Board violin examination scales and arpeggios

Here are some resources to help you with scale and arpeggio requirements for Grade 4 violin. The examination is held by the British examining board The Associated Board of the Royal Schools of Music. There is also a glossary of time saving and motivational tips and a practice record so you can keep track of what you need to do.

In order to help with the exam pieces and increase your listening skills and knowledge of different styles of music I have selected some YouTube videos of the tunes that some of you will learn.

To Access: This course is for my pupils only.
