Music for the Scottish march The Gay Gordons (also known as The Gordon Highlanders) by J. Scott Skinner.

Key: A Major

Time signature: 4/4

Rhythms: This tune contains the following elements:

and with slurred semiquaver upbeats in the 1st part and quaver upbeats in the 2nd and 3rd.

Level of ability: There are three parts:

- i) The tunes chosen require a good working knowledge of the keys with any finger pattern 1_23 or 12_3 or 1_2_3 involved. This part is available in Treble and Alto (usually an 8ve lower) and Bass clefs.
- ii) 2nd Violin/Viola part (Treble clef) uses basic rhythms in the 1_23 pattern. This version can also be used to encourage more advanced violists to sight read in the Treble clef. (Alto clef sheet music is available for beginner violists. Bass clef for cellists).
- iii) 3rd Violin/Viola part (Treble clef) consists of open strings and 1st fingers and has been designed to be suitable for pupils who have just completed a year of Wider Opportunities or are sight-reading in an orchestra for the first time. The Treble clef part can be used to encourage more advanced violists to sight-read in both clefs. (Alto clef sheet music is available for beginner violists. Bass clef for cellists).

A range of straightforward rhythms have been used to encourage the reading of whole bars at a time in advance.
